## City Brush Recycling Drop-Off

As some of you may have noticed, the gates to our City compost facility are now locked. This is in response to the continual misuse of the free drop-off privilege given to City residents. Please note, the following commonly disposed of items **are not allowed:**

## City Yard Waste Pick-Up

Summer is a great time to work in your yard and garden, and we're here to help you clean up all the trimmings. Brush that needs to be picked up can simply be placed in a pile at the curb, but all other yard waste (including grass clippings) **must be placed in compostable Lawn & Leaf bags!** When you are ready for pick up, just call City Hall so we can get you on the list.

Please remember not to block any storm drains with your yard debris.
