### Exciting Improvements to Grand River!

The time has come for East Grand River to be resurfaced, from Woodhull to Woodbury. Yay! The project is estimated to begin in June, after the school has been released for the summer. So please be mindful that traffic may be rerouted or otherwise impacted at times during the construction. Check our website often for project updates, road closures, and other announcements, or call City Hall for information. We are so excited for this exciting upgrade to such a major road in our City.

# ELECTION

## Inspectors Needed!

The next election is just around the corner and we need a few dedicated people to help work the polls. You do not need to be an elector of the City, but must be registered to vote in the State of Michigan. It is a paid position that offers a great opportunity to serve your community and be a part of the democratic process.

If you are interested in becoming an election inspector, go to **Michigan.gov/vote** and click on the **Work at the Polls** link on the left. Here you will find more information on the requirements and benefits of the inspector's role. As always, information and applications are also available at City Hall. Hope to see you soon!

## More Election News.....

As you may have heard, we have **New Election Equipment!** This equipment is secure, efficient, accessible to all voters. We will have the equipment set up in City Hall for viewing as we get closer to our next election. Check the **Elections** section of our website for updates and any upcoming election deadlines that you should know about.

# Lions Club Springtime Festival

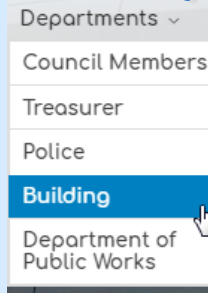

It's almost time for the annual Lion's Club Springtime Festival! Festivities run **Thursday, May 17th through Sunday, May 20th**, with the parade on Saturday. For more information on the parade, call Ed Carpenter at 517-651-2055. For information on the crafts, contact Shannon at 517-614-7222.

## PROJECT = PERMIT!

With warmer weather just around the corner, many of you are beginning to consider some home improvement undertakings. Don't forget to check on the zoning requirements for *all* your projects. Fences, decks, pools, sheds, and almost all other modifications to your property will require a zoning permit. The applications for these permits and the accompanying guidelines are available in the **Building Department** section of our website, or by contacting City Hall.

## Recycling Drive

Don't forget! You can bring your recyclables downtown between Railroad and Clinton Streets during the monthly recycling drive on the second Saturday of every month.

**The LSW Fire Authority is seeking dedicated applicants to join their team of volunteer firefighters. Call 517-651-2638 for more information.**

# Spring Clean-Up!

## REMINDER FROM THE LAINGSBURG POLICE DEPARTMENT

It's time to do a little spring cleaning!

New nuisance ordinances have gone into effect regarding litter, trash, rubble, etc., as well as new requirements for storage of recreational vehicles. **All vehicles — including campers, trailers, boats, jet skis and ATVs — must be REGISTERED and OPERABLE!** Laingsburg Police will now start enforcement of these ordinances.

For more information regarding these or any other City Ordinances, please visit the **Ordinances** section of our website.

## Brush and Yard Waste Pickup

Brush pickup will begin **the first week in May**. This service is offered to you free of charge as residents, so please be considerate of the following requirements when placing your brush at the curb for pickup:

- \* Yard waste should be bagged up in compostable bags
- \* All sticks and limbs should be piled up neatly in the same direction!
- \* No tree limbs larger than 6 inches in diameter or 3 feet in length
- \* No stumps, firewood, dirt, trash, vines or any foreign objects.
- \* Thorn-bearing items must be put in a separate piles
- \* Brush must be placed at the curbside or roadside, **but not in the street**
- \* **Call city hall at 517-651-5374 and have your name placed on the pickup list.**

**If you would like your brush picked up before May, please bag it up in a compostable bag and call City Hall to let us know when it's ready.**
