This application must be submitted 72 hours before you plan to commence work. This permit will not be issued unless the contractor/owner has the proper insurance on file with the Department of Public Works and the City is named as an insured party.

Work will begin on about _____ and will be completed on/about _____.

NOTE: This permit is granted on the express condition that underground utility connections will not be covered until they are inspected by the City of Laingsburg. Please notify the Department of Public Works at 517-651-6101 when the final connection has been made but before backfilling. In the case of driveway approaches, sidewalk installations and curb and gutter removal and replacement permits, the owner or contractor must notify the Department of Public Works at 517-651-6101 after the forms are placed and prior to placing the concrete or surfacing materials. (For your own protection, please do not order the concrete until after the inspection has been made.) Completed work must also be inspected.

Copies of this permit are given to: Applicant, Treasurer, and Dept. of Public Works

I will comply completely with the City Ordinances and Rules and Regulations set forth on the attached form and indemnify, defend, and hold harmless the City of Laingsburg and its employees from any court action resulting from this activity.
