L E A V E S !

'Tis the season! As the leaves pile up under all those beautiful trees, the City would like to remind you that there is no burning of leaves within the city limits.
The City will pick up your **leaves** once you have collected them near the curb. Please place **brush** and leaves in **separate piles** since they are handled with different equipment.

Grass clippings cannot be picked up unless they are bagged in yard waste bags. When you are ready for pickup, just give City Hall a call! Please note, as soon as the snow flies the City will only pick up bagged leaves.

The City also offers a free compost yard where **City residents** can bring their own leaves and brush. The gate will be unlock from 8:00am to 3:00 weekdays. To coordinate a time outside of Department of Public Works hours, please call the DPW before 3:30 at 517-651-5374.
Thank you and happy fall!
